

READER DEVELOPMENT AND STOCK PROMOTION

The Story Tower Adventure Park

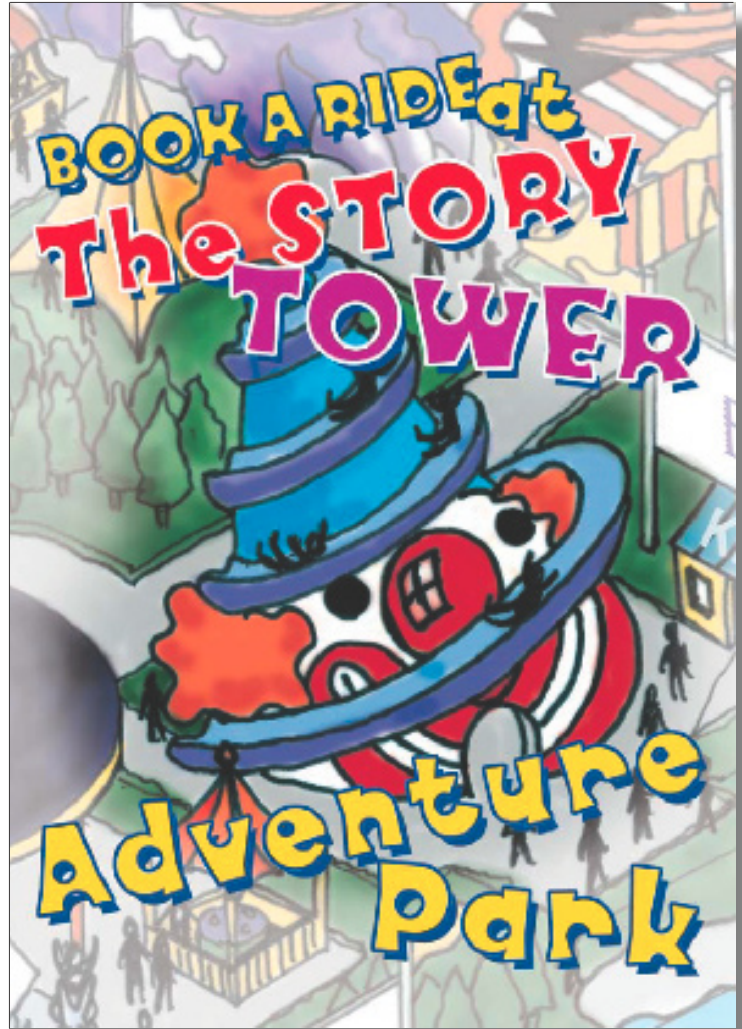

- Reader Development for 5-8 year olds -

Enclosed is a finished sample of our most recent initiative developed by the Peters design team in conjunction with Surrey Libraries who approached us with the original idea.

The reader development scheme is for 5-8 year olds and we believe there will be a high demand for the promotion so we are offering a one off nationally co-ordinated print-run for authorities wishing to order.

Please place your orders by 28th November using the attached order form and we will supply and invoice to your authority in time for Christmas.

There is a minimum order of £10.00 for ease of invoicing BUT make sure you stock up to avoid missing out: the print run quickly sells out and we can't always guarantee any extra packs
